Veteran Judoist F. Hatashita Cops Eastern Canada Blackbelt Crown

By GEORGE NISHIMURA

TORONTO. — Rising to the cheers of over eight hundred both Occidental and Japanese spectators, 3rd degree blackbelter Frank Hatashita of Toronto climaxed the Third Annual Eastern Canada Judo Tournament held Saturday, Mar. 20, at the spacious YMHA Hall in Toronto, by defeating his final contender, 2nd degree Mac Oikawa, also of Toronto, to capture the Eastern Canada Blackbelters Individual Championship Trophy.

Team Matches

In the team competition, conducted earlier in the evening, the Kidokwan of Toronto succeeded in nosing out the team from Hamilton in the finals to be awarded the 5-man Team Championship Trophy returned by last year's champions, the Hatashita Judo Club of Toronto.

A thrilling and awe-inspiring evening was enjoyed by the capacity crowd as the program commenced with the team competition. Toronto Westend "Y", Toronto Broadview "Y", St. Jean (Que.), Toronto Hatashita, and Montreal Seidokwan were eliminated in the first round, while the second round saw the defeat of Toronto YMHA and Ottawa.

In the semi-finals, London bowed out to the Toronto Kidokwan, leaving the Kidokwan and Hamilton to face each other in the final contest. Tension mounted as the battle concluded in a 4-4 tie. Representatives of the two teams were then selected for the deciding bout — Mits Kamino for Kidokwan and T. Wakabayashi for Hamilton.

As the crowd settled to a hush, Kamino caught the taller and heavier Wakabayashi momentarily off guard and succeeded in effecting a spectacular shoulder-throw, bringing the entire house down in a thunderous applause. The two points gained thereby gave the Kidokwan the team championship.

Fourth-degree holder Shigeo Nakamura of Toronto officiated as referee in the team matches. Approximately half of the members of the various teams were Occidentals.

Blackbelt Event

In the individual blackbelters' competition that followed, eleven contestants were defeated in the first round. The second round [illegible] Okimura (Montreal), [illegible] (Montreal), Kazewa [illegible], Goodenough (Toronto), [illegible] (Toronto), and [illegible]

In the quarter finals, 1st degree John Hatashita, 1st degree [illegible] Hatashita and 2nd degree [illegible] Sumi (all of Toronto) were defeated by 3rd degree Frank Hatashita (Tor.), 2nd degree Mac Oikawa (Tor.) and 1st degree Mas Takahashi (Ottawa) respectively. One of the highlights of the evening was witnessed in this round when the two Hatashita brothers, Frank and John, rose to meet each other on the mat. The younger Hatashita, John, yielded as Frank, superior by two degrees, felled him in a neat topple.

This left three men for the semi-finals. Second degree Oikawa drew the straw bypassing him to the finals, leaving first degree Takahashi to meet Frank Hatashita in the bout for a place in the final event. Hatashita quickly subdued Takahashi.

The stage was now set for the final bout, but the contest was short, as the smaller Oikawa yielded to an inescapable throat-hold by Hatashita in the early moments of the five-minute tussle. Hatashita thus succeeded in retaining his superiority as a third-degree blackbelter.

The individual bouts were adjudicated by sixth-degree holder Shigetaka Sasaki of Ashcroft, B.C., who is believed to be the highest ranking judoist in Canada. The individual championship cup was presented to Frank Hatashita by Mr. Tooru Udo of the Japanese Embassy while fourth-degree Y. Mukai served in presenting the team trophy to the Kidokwan. Announcements and timely explanations in English by Frank Moritsugu at the microphone accompanied all the bouts and clarified what was going on to the many non-Japanese onlookers.

WMS Schools Did Much to Help Nisei Evacuees to Better Education

From Nelson Daily News

NEW DENVER, B.C. — Japanese Canadians, evacuated from the coast during the war and forced to attend special schools hurriedly set up to accomodate them, have certainly done well, Women's Missionary Society members were told here.

A Japanese Canadian, recalling the "Lakeview High School" sponsored by Turner Memorial United Church, reviewed the work of the school and described what its students had gone on to do in later life.

Teachers at the New Denver School were Miss Gwen Suttie, Miss Helen Lawson, and Mrs. John Rowe.

"Yes, we all have good jobs now. Most of us have got into the line of work we want to do and we realize how much we owe to the old Lakeview High," the young Japanese Canadian who graduated from the WMS High School at New Denver said.

The school was set up as an emergency measure during the war. There were also similar schools in Lemon Creek and Tashme.

The New Denver school chose as its school motto the Latin phrase: "Per Ardua Ad Magna" — meaning "Through Difficulties to Greatness."

"During the three years that the school operated, we struggled through difficulties aplenty. Now we rejoice that the story of the greatness can be told," continued the speaker.

In a recent brief and incomplete survey made of the former students and graduates of the New Denver School, some gratifying facts came to light. Out of fifty students of whom definite information could be obtained, five of the girls have become registered nurses and two of them have taken post-graduate courses in public health; three of the boys are taking up medicine at the University of Toronto; another is studying optometry at the same university.

Of two girls who finished the undergraduate course in pharmacy, one is taking post-graduate work, the other is in the pharmacy department of the Women's College Hospital; five of the boys have gone in for engineering, chemical or electrical, and one of them is with the government in Ottawa.

One girl, after graduating from university, is working in the Civil Defence Department in Ottawa; nine are working in offices as stenographers and bookkeepers; one boy has risen in five years to the position of office manager; another is in architecture at the University of Toronto; four are teaching in government schools; two boys are taking courses leading to a chartered accountant's degree; one girl has an M.A. in Arts; and the others are doing such varied things as taking physics courses at McMaster University, doing laboratory technician work and machinist television.

A number of the girls are married and a number of the boys own cars.

Survey Indicates One-Third of Japanese Americans Not Adjusted

CHICAGO, Ill. — In an analytical survey undertaken here by a group of nine U.S. scientists to determine "to what extent assimilation of Japanese Americans into U.S. society has progressed, and to what degree American democracy had been comprehended by them," the lives of 1,212 both Issei and Nisei residents of Chicago were systematically studied for a period of four years from January 1947 to February 1951.

On the basis of this research, among other things it was found that 32.1 percent of the Japanese Americans were not adjusted to normal social life in the United States, of which 45.7 percent were Nisei, 56.2 percent Kibei (Nisei returned from Japan); and 66.5 percent Issei.

Nervous disorders were found among 59.4 percent of the Japanese Americans, of which the predominant number (70.6%) was Issei women.

In the vocational field of sixty Nisei studied, 27 were skilled or semi-skilled workers, while three held high managerial positions. In comparison, the majority of a like number of Issei were classed as unskilled or semi-skilled labourers, and only two could be found in positions that might be regarded as being in a managerial category.

In order to ascertain where the difficulty of Japanese Americans in adapting themselves to U.S. society [illegible], whether it be from failure to discard inherited Japanese customs and whether it is peculiar of the characteristics of the Japanese race, a similar survey is being conducted in Japan by one of the American professors at Nagoya University. [illegible] from comparison of the data gathered from the two groups is expected to be of great value in settling future problems of Japanese assimilation to U.S. society.

Letter to a Lost Love . . .

Montreal,
March 24, 1954.

Dearest Spring:

Yesterday you knocked at my door. I didn't answer. You tapped staccato on my window pane. I pretended not to hear you. I couldn't bear to look into your eyes and pretend that things were still the same.

You whistled like you always used to do — once, twice, thrice. You stood out there in a snowfall, shivering a little, but not doubting that I would come out to meet you. You stood out there as I've always known you — idealistic, intense, provocative, daring and forever young. Your yellow hair blew in the March snowstorm, entwined with crocuses, snowdrops and smoky blue flowers, the name of which I've long forgotten, but which used to run like purple flame in a field I remember . . . a long time ago. Your sly lips were half parted in an invitation, and I didn't even have to look to know there was fresh mischief being planned under your long eyelashes . . .

Dear Spring, you will never change. You are impulse and youth and dreams. I have changed. I have learned that living is not only impulse and youth and dreams. It is also adjustment, compromise and reason. A neat and ordered life, a safe existence, this slow learning to shield oneself from ecstasy lest one discover pain, would eventually come between us and our love.

You see, for me the doors to wonderland have swung shut. I can never open them again with the same joyousness, the same eagerness, the same sure wide-eyed belief. While you were away the last nine months, I have had to live in a new world. It's an adult world you'll never know. And because you will never know it, you will have ecstasy always. If I believed that you would be happy my way, I would not be writing this letter. But without ecstasy you would not be Spring.

I wonder if you will really understand when I say that having grown a little older, a little wiser, I am now an alien in your world — the world I once loved so intensely. I cannot stand and stare for half a glorious spring afternoon, watching a robin make its nest or following two rival armies of ants capture an insect citadel and believe my time well spent.

I, who used to stand with you, hand in hand, on a river's edge, watching for wood sprites, I who used to stand enraptured while tall trees sang a mystic forest symphony, I who could be moved close to tears with a strange knowledge of a friendly universal spirit hovering close — that me has been replaced by another, forever prodded by an insistant, matter-of-fact spirit which whispers, "It's later than you think". Fairies, wood sprites and the music of the spheres have now been replaced by more immediate and more pressing things, like the filling out of income tax return forms, the planning of a menu for a cocktail party next Saturday, and serious plans for getting on in the job which keeps me successful in an adult world.

Do you remember our sudden, spontaneous response to quickening twigs, the swelling buds, and the bursting forth of every living thing one mad day in March? I can no longer drop everything to go running barefoot through cool damp moss, scurrying through woodland paths looking for the first violet, the first Easter lily, or go paddling in a stream just for the sake of paddling in a mountain stream. Remember too, that day we skipped school to watch the miracle of birth and saw a furry, wet foal stagger on its own four legs for the first time? The miracle of birth included moths emerging from their chrysalises, and we watched it all, spellbound. Now, I am concerned with the other side of the miracle — I am too busy, hanging out my clothes because of a muddy miracle.

So, beloved, this is goodbye. I shall never know sheer ecstasy again. I shall, no doubt, meet love again, but it will be different to that first wild rapture that was ours, born of April moons — that sudden moment when our two hearts beat as one. I shall, no doubt, make promises to love again, but they will not be as was my promise to you — part discovery, part dedication, part pain, part wonder, part delight. My promises to love will make reservations for all things.

I shall never rise to heights [illegible] for like all grown people, I have [illegible] neither ecstasy nor despair. I'd [illegible] choice, I only know [illegible]

And so, goodbye [illegible] to grow up.

Always,
Cinderella

Letter to Editor

Very Valuable

Dear Mr. Nishimura:

I have greatly appreciated the kindness of "The New Canadian" in sending the paper to me at my home, now that I am no longer attached to the staff of any periodical. (I am, as you probably know, writing a weekly column in The Financial Post.)

But I write today to express my particular satisfaction with the article, "The Night the Boys Sat Down," in the issue of today's (Mar. 17) date. It is very valuable that recollections such as these should be printed while they are still vivid. I wish they could obtain a wider readership among non-Japanese Canadians, and I wonder if the author would attempt to place an article of much the same kind in a national English-language magazine at an appropriate time — which might be shortly before the fifteenth anniversary of "Pearl Harbor", in December 1957.

Gratefully yours,
B. K. Sandwell,
Toronto, Ont.

Well, how about it, K. S.?

(Formerly editor of "Saturday Night" and currently a regular columnist for "The Financial Post", Mr. Sandwell is one of Canada's foremost writers on current affairs, particularly versed in the field of civil liberties. He is well remembered by Japanese Canadians in connection with the deportation question, wherein he undertook to campaign(?) speaking tour in defence of the Japanese Canadians' position. — Ed.)

Y.E.T., S.S., and now . . .

OPEN LETTER

To Madame Sada:

In your attack against Mr. YET in the March 10 issue of The New Canadian, you sorted out his quotation of Karl Marx's statement "Religion is the opiate of the masses," as a target for your blunt dagger. Then you stated, or rather remarked, "Reminds me of the inebriate who said the upright post was drunk because he saw it sway from side to side." What a simile! What bearing has the latter on the former? None. I wish to ask that you give substantial arguments against this statement rather than nonsensical nothings. This statement that "Religion is the opiate of the masses," is not a statement to be ridiculed and brushed off in the manner that you have done. However, regarding the historical background that [illegible] of this statement to be valid [illegible] only have appeared to you [illegible] [illegible]

Furthermore, I wish [illegible] that Mr. YET [illegible] [illegible]

read your references to the various biological parts of the body. It appears to me that not Mr. YET but you are suffering from some organic disorder. Namely, an acute case of rickets, caused by a lack of Vitamin D. To clarify [illegible] Knowledge [illegible] sun-baked [illegible] Reasoning. You must [illegible] the sun-baked [illegible] Reason [illegible] [illegible] Vitamin D which is Reason [illegible]

ing, hence leaving [illegible] As for writing a [illegible] a pen-name, then [illegible] names to represent [illegible] persons when in reality [illegible] no — that is the [illegible] that I've ever seen [illegible] [illegible] readers [illegible] [illegible] should be [illegible] [illegible] Mr. YET [illegible] Madam [illegible] be accepting in the [illegible] field.

Spring's A-Comin'

By Y. E. T.

PREAMBLE: A brief characterization of our three [illegible] seems to be in order. Jiro is the viscerotonic endomorph [illegible]. He's popular because he's a sychophant. Taro is the [illegible] mesomorpshic extrovert. He's seldom right, but he's [illegible]. Hiro is the cerebrotonic ectomorphic introvert. He's [illegible] introspective; respected because he gives the air that he [illegible].

CHAIRMAN: Before we get into our discussion, has anyone any comment to make on TMK's brutal blast?

JIRO: What did TMK write about this time? I never read the stuff, can't stand it. To me, TMK's just Too Much Keen.

HIRO: I'd refrain from passing judgment on a person you don't know, and whose articles you admit you don't read. You can get us all into trouble, even our writer. Besides, TMK did not write; her ideas were expressed via S(o)S. I have nothing against the columnist. TMK's a Towards More Kulture propagandist and must be seen in that light. It's a shame that the column is read only by those who find fault with it.

TARO: Why shouldn't people find fault with TMK? Her (I'm sure it's a she) mumble-jumble expresses ideas that are paper thin and skin deep. She's skating on thin ice, if she stops, she'll sink. TMK's Toronto's Most Kraziest and that's final.

CHAIRMAN: Do you gentlemen know YET's reaction to S(o)S's sad and sour servings?

TARO: Well, he said we should watch what we say because a lot of what we think is being confused with what he believes... And he said something about going to see his own doctor when he needs one — said he can't trust a diagnosis by a charlatan.

JIRO: Gee, do you think YET's really sick?

TARO: Could be! He may be suffering from schizophrenia.

HIRO: Impossible! There's three of us. It must be a case of multiple personality.

TARO: Poor boy. But maybe we can help him!

JIRO: How pray?

TARO: Well, Spring's just around the corner, and you know what a young man's fancy is supposed to turn to. Maybe that's the root of his dilemma. His triple personality yearns for three...

JIRO: How interesting! Isn't he satisfied with one? Polygamy is against the law you know.

HIRO: But don't you see? Each of his tri-pronged personalities is a different and distinct entity. Remember, he called us polar concept? Well, if we tell him what we want in our mates he may be able to come to a crystallized conception of his own desire. Then he can take the appropriate steps and resolve his difficulty.

CHAIRMAN: Very well, then. Jiro, would you like to start us off?

JIRO: Okay. I'd like a girl that's sex-incorporated — a Nisei Monroe. I'll probably settle for less, but it's the ideal you asked for.

TARO: Your taste is disgusting. I would like a girl that's attractive, but not seriously affected by her beauty; intelligent but not in the academic sense of the word; sharp in appearance but not ostentatious and cheap; quiet and reserved, but not excessively so. And she must be smaller than me.

HIRO: You've swallowed the warped values of this [illegible] hook, line, and sinker. I'm surprised you have no strong [illegible] of your own.

It is difficult to speak with candor on this touchy [illegible] an ideal girl. I don't really know what I want, and I don't think you know either. Things don't happen that way. Hypothetically, it may come about as follows. One day, I'll be at a party [illegible] thing and I'll be introduced to her. She'll smile and blush and I'll do likewise, and we'll both know.

TARO: Romantic dreamer! Comes the day when a [illegible] smile at you.

JIRO: Yeah, but we're not all Don Juan's. Maybe [illegible] a point there.

CHAIRMAN: I'm sorry, gentlemen, but I've [illegible] words from YET. He says you're all a bunch of "silly youngsters."

「ふむ」

吉次の話には關心がなく牛若は軽く鼻で答えたきりであった。

歸道館に團体優勝杯

八百餘名の日白觀衆に感銘與えて大盛況

黒帶組では畑下に榮冠

東部カナダ各地柔道クラブからより拔きの猛者連百餘名が演じる熱戰。ト市ユダヤ青年會館の道場を埋める日白觀衆八百以上がおくる拍手カッサイ番組の進行につれて、まさに總立ちになろうとする興奮が最高潮に達した勝敗の數々。優勝杯授與まで手に汗にぎる緊張の連續。――オ州有段者會主催の春季大會は大盛況であり、番組の進行は極めて圓滑で立派だつた。

▽團体對抗試合（第一回戰）

勝	負
ハミルトン	ト市西ワイ
オタワ	ト市ブロドビウ
ユダヤ青年	タ州聖ジヨン
ロンドン	ト市畑下
歸道館	誠道館

二回連勝の畑下軍はロンドンと同點、代表選手二回も出して雌雄を競い、結局ロンドン主將沼田の技ありで勝を占められ惜敗した。第二回戰ではハミルトン對ユダヤ青年（ト市）でハ軍勝ち、オタワ・ロンドン對戰でロ軍辛勝、歸道館不戰一勝。准決勝でロンドン對歸道館、ハミルトン不戰一勝。ロンドンの善戰空しく五對零で退き、いよいよ歸道館對ハミルトンの決勝に入つた。▽團体對抗決勝戰　先鋒神野ミツが得意の背負投げで二點を先取、歸道館の幸先はよかつたが、主將對戰が終つた双方の得點は四對四、兩者代表選手を決め、ハミルトン若林對歸道館神野が相向い決戰。長身若林に迫る小柄の神野の重なる背負投げ遂にきまり見事一本。滿堂われるような拍手のうちに歸道館は團体優勝杯を獲得した。審判は中村四段

黒帶の試合

初段から三段までの有段者二十三名が佐々木六段審判の下に奮戰。二回戰に入つた六組の有段者は現役の荒武者ばかり。及川、角、高橋と畑下三兄弟が勝殘り、三回戰に入るや、畑下三段は弟の初段と顔合せで觀衆はさわぐ。及川二段は畑下（トム）初段を投げ、オタワの高橋初段が角二段を葬り遂に准決勝。畑下三段は高橋初段を退け、不戰一勝の及川二段と注目の決勝に向つた。タイム五分間、共倒れに見えたが畑下に技あり及川の掛技はずれた瞬間、巨体の畑下はすばやく乘りかかつて締め、あえなく及川は勝を讓り、黒帶段勝杯は大使館の有働氏より畑下三段に授與された。及川二段には次賞が佐々木六段より、團体賞は向井四段よりそれぞれ贈られた。

マ上議の來市

▽マッカーレー上院議員がトロントに來て演說することになるというので問題となつている。オタワ議會でも進保黨主のドリユー議員が、マ上議はわざわざカナダまで來て米國の政策を說明する必要はなかろうと反對の聲をあげている。ところが、マ上議は當代の英雄だなどとやたらに讒謗を投げた社信黨のブラックモア議員が、この反對に反對したかどうかは報じられていないので知る由もないが、ブラックモア議員はマ上議辯護論を一席ブッて議會で思わぬ「恥さらし」をやつたものだ。

▽カナダがいわゆる「マッカーシイズム」の旋風にまき込まれず、超然とした態度で冷靜な批判を新聞が論じ、議會でも行つていることはカナダにとつて力強いことである。もちろん、少數の物好きによる支持者のあることは否めない。

▽マ上議の赤狩りタクテックス（手法）は目的の調査を越えて「街教」にまでのびているのを隣國カナダから見ていると實に不快事さいえるだろう。▽マ上議が來市して演說すれば、彼に共鳴する者と否とに拘らず多くの聽衆を持つであろうが、これは夜店のタタキ賣りを面白がつて立止つて見るといつた興味と大して相違ないものに終るだろう。

▽サン・ロラン首相がこれに觸れて『米國からの招かれた客は、話が妥當とみなされる範圍を外れることによつて醸し出される微妙な位置を十分わきまえて貰いたい』と答辯したことはとりもなおさずマ上議に對する警告なのである。

不義の再軍備に反對す

服部卓四郎君の「次期大戦と日本國防論」への駁論（五）

元陸軍中將、軍需省航空兵器總局長官 遠藤三郎

第三次世界大戦と日本の役割

君は米ソ戦は必至であり日本の中立はあり得ないと云っている。私は識者でもなく、またその當事者でもないから断言することは出來ない。然し決して必至とは思わぬ。少くもこれを止めるように努力せねばならぬと思っている。遠慮なく私の判斷を申せば、米國はその國柄から見て、先手を打つことは困難であろう。現に豫防戦争を主張した米國の海軍兵學校長は馘首されている。大東亜戦争も日本に先手を打たせ、わざわざ受けて立つ形式を取った形跡がある。ソ連は勝目のない戦争はしないと思う。軍隊活動の原動力とも云うべき油の保有量を比較しただけでも、イランの石油がソ連に流れないかぎり、ソ連には勝目がないはずである。ソ連は高價であってしかも危險の多い賭博的な熱戦よりは、安價であってしかも安全な冷戦を継続するであろう。ましてその冷戦（間接侵略）が着々功を奏しつつある現状において、なおさらしかりであると思う。ゆえに私は、米ソ戦近しとは思わぬ。まして之れを必至とし、また宿命として諦めてはおらぬ。將來に希望を持ち、あらゆる手段を講じて未然に之れを防ぐよう努力せねばならぬものと思っている。その第一の方法は、各獨立國家が獨自の軍隊を持つ舊來の思想から速かに脱却して、國際連合に協同の警察部隊を設置するにある、と思うのである。

次に日本の態度であるが米ソ抗争の場合、日本の地理的戦略價値から見てもその重要性は極めて大であることは、君も認めている所であろう。

本年（昭和廿八年）初頭ダレス氏が國務長官に就任した第一回のラヂオ放送で「スターリンは、もし日本が赤色陣營に入ったならば、赤色陣營は絶對不敗の態勢となり得ると云った」と述べておる。米ソともに日本の價値を十分に認識しているものと思う。従って君の言う通り、いわゆる孤立的消極的中立は成り立たぬことはもちろんであり、また國際社會に國を爲すものとして、孤立的消極的中立のごときは、取るべき態度ではなかろうと思うが、いわゆる積極的中立によって兩者の和解を仲介することは必ずしも不可能とは云えぬであろう。

君は戦争において國際法の制約を受けるのは、有力な中立國があるためであるのに、いまやそのような中立國がないから米ソ戦をどうすることも出來ぬと云うが、それは前言に矛盾しているではないか。私は日本は決して微弱なものとは思わぬ。従って始めから自主性を放棄して、米國一邊倒たることは好ましくない。敗戦日本とは申せ、前述のごとく偉大なる力を持っており、米ソ戦勝敗のキイ・ポイントを握っているのであるから、決して卑屈に陥る必要はない。正を履んで邁進したならば、米ソ戦防止の役割を果し得ないものでもなかろうと思う。米國といえども誤りを犯すこともあろうし行き過ぎもあろう。ソ連といえども、君の云うように何から何まで悪魔でもあるまい。洞が峠をきめ込んだり、漁夫の利をねらうような態度は、もとより唾棄すべきであるが、いわゆる積極的中立國として米ソ兩陣營に和解を導くよう努力することは、われわれ日本人に課せられた崇高なる使命ではなかろうか。そして第三次世界大戦を未然に防ぐことは、原爆の洗禮を受けた唯一の國として戦争を放棄し、軍備を全廢した日本の、當然の義務であり、また權利でもあると信ずるものである。

日本の對外爲替

東京 露木海藏

レート堅持の要

日本の對米爲替相場の事については私はその後も考えている。一弗が三六〇圓以上になるか、ならぬかを判斷する材料の一つとして以下のことを書き足しておこう。（三月二日）

三六〇圓の相場はすでに名目化しているのに、なぜ切下げないかという考え方が、産業界を中心に根強くはびこっている。輸出については重要商品の二重價格が一般化しているから爲替相場をその程度にだけ切下げても、ただ現状を承認するだけではないかという。また輸入については、重要輸入の原材料は國内價格が輸入採算をはるかに上回っているから、爲替相場をその程度までに切下げても輸入關係者のもうけが減るだけで、國内物價には無影響である。問題は輸入食料だけがどうかということであるが、今年の農作が平年作で行けば、そのために外貨の支拂いが大きく増大することもなかろうという。

然しながら、右の如き考え方を前提として、爲替相場の切下げが、心理的な悪影響をもたらしたり、インフレ心理をかきたてたりしないかといえば、言葉をかえて言うと、國民がかかる措置に全面的に信頼をおき國際的にも、それで日本の經濟が本當に安定を得られるという承認が得られることでなければならない。

ところが現實の日本の經濟はどうかというと、かような前提は全然できていない。寧ろ、外貨ポジションの悪化を前にして輸入原材料等を中心とした思惑、換言すれば姿を變えたドル買いが深化してきている。これに對し政府當局では、輸入の金融の引しめによって思惑買いを彈壓すると同時に裏口からも金融全般を引き締めて行って消費購買力を壓縮し、間接的ながら輸入思惑の解消をもたらそうとしている。

日本經濟にとっては、かくてドル買いの行方がどうなるか——言わば天王山になってきているのである。爲替相場はなるほど名目化しているが、これを單純なソロバンだけで切下げるべしという議論は全く形式的な書生論であるか——それとも日本國民の犠牲において私利を追求する影の聲とみるほかないのである。

物價が依然として高價を維持していたり、株式また人氣ほど下げてこないのはこの天王山を前にして、政府當局に依頼しきれない國民心理の表現ではなかろうか。三月危機を叫び、六月説の提唱も一つにかかって政府當局の經濟推進力の評價から生じている觀測である。私は日本の經濟力の再起のためにも生活のより安定のためにも、國民的支持と政府當局のレート堅持の初志を貫徹する決意を期待している。（完）

國際法も空文の原子時代

福龍丸事件で考えされる『嚴肅なる事實』

目下日本で大きさわぎしている福龍丸事件について東京支局の露木記者は次の如く傳えてきた。

▽米國は以前からビキニ環礁を原爆試驗場と聲明しているが、三月一日に試驗すると警告はしていないのでその日の事を漁船は知らなかつたし、また漁船側の説明によると、その時は規定海域の外にあつたのだ。何れは日本と米國の現地調査を待たねばならぬが、こうした事から考えられるのは物の見方、考え方、尺度、國際法という從來のものがこれからの原子時代には革命期の前にあるという事である

▽それらが根本的にひつくり返る、ひつくり返らざるを得ない時代になつていると思われる。すなわち、公海航行の自由は三哩外になつているが、九十哩はなれたところで反應を受けるとなると公海の原則も空文になるし、原子力時代を前にして、この過途期には從來の國防軍事、國際法等が一應御破算になる時代が來るのも遠くない氣がする

▽漁船が知らないうちに受けた放射能で、東京のすし屋や魚屋、主婦たちが、あわてさせられるのも、原子力のあけぼの時代に映じて來た『嚴肅なる事實』を認め、考えざるを得ない

『實驗に使われた』

日本に又も反米氣運高まる

【東京發】福龍丸事件は全日本をショックし、今後かかる原爆試驗は違法とすべきだと世界に訴えよとの聲が高まり、またこの事件は日本へ第三の原爆投下だとの非難があり、福龍丸船員二十三名は全く實驗に使われたものだといつている。これによつて新たに反米氣運があがり、日本再軍備に再檢討を加えるべきだとする重大事態をかもし出すにいたつている。京都大學の物理學者木村喜一氏はビキニで爆發した放射能の爆灰は日本にまで降り落ちたと發表、日本國民をふるえ上らしている。放射能をふくんだ灰が長時間も皮膚に附着しておればキャンサーになる恐れがあると日本の醫者二名が醫會で述べているし朝日はじめ他の有力紙もこの事件をとりあげて米國を攻擊している

ポリオ流行

訪濠中の女王守る

【濠洲、アドレード發】メンゼース首相は今週末西部濠洲を訪問される英女王がポリオにかかられぬよう握手そば近くで話しをする等の禁止を發表した。英女王とエジンバラ公はこの地方滞在中はホテルに止宿されず客船ゴジック號上で生活されることになつた。これと共に日程中の歡迎晩餐會や、教會禮拜なども中止され、女王に花束を贈る者もそば近くに置いて去るということになり、万全を期して女王やエジンバラ公のポリオ感染を防ぐ處置をとつている。

戰爭不能

原子力研究で

第二大戰時ドイツの秘密武器の一つといわれたヴイ二ーロケットの發明者ハーマン・オバス博士は今週ドイツ空間研究協會席上、原子力研究によつて今後一年以內には戰爭を起すことは不可能になろうと次の如く語つた

原子力の研究で、原子ロケットができ、地球のどこへでも四十五分で達することは可能となるので もし戰爭の場合、敵國內の大都市は開戰二、三時間以內に破壞されてしまうと信じる。自分の死刑に署名することになる宣戰布告にサインする大臣は一人もないだろう

シーシーエフ

サ議員離黨か

【オタワ發】シーシーエフ黨國會議員として九年間のムージョー選出ダブリュ・ロス・サッチャー氏は下院銀行及び商業委員會委員から辭職、やがてはシーシーエフから脫黨するのではないかと見られている。サッチャー議員は銀行法改正にあたり、黨の方針である銀行國營に反對立場をとつているので委員會より自發的辭任したものだとあるが、彼自身は非自發的だとしているので黨とサ議員につくられていたミゾが表面化し結局、脫黨するのではなかろうかと推測される

『中共承認』に焦點

今週のオタワ議會の審議で

【オタワ發】今週のオタワ議會では政府の外交方針に關し、「中共承認と國連加入」問題について愼重なる審議が行われるものと期待されている。サン・ロラン首相は外遊中、二度にわたり、カナダは早晩中共を承認しなければなるまいと言明して問題を起し、それを釋明して中共が國民の欲する政府かどうかは知る由もないと述べたが、オタワ政府はいずれ英國にならつて中共承認を行うだろうという觀測が持ち上つている。カナダはもともと中共を承認する氣構えでいたのだつたが朝鮮戰爭が突破したため、これを保留したかたちになつていたが、このたびサン・ロラン首相の外遊で、とくにネール首相との重なる會談で中共を事實上の政府と認めることは極東を安定せしめ、國際平和を維持する途であると言い聞されたことによつて、カナダもそもとの方針であつた『中共承認』が再びかためられるに至つたと見ている。今週木曜にピアソン外相は一般外交問題にふれて語るが、野黨側から中共に對するカナダの確固なる方針如何という質問をうけるに違いないので、それに答えることによつて中共承認をめぐりどの方向にカナダが進んでいくかがハッキリすることになろう。

在米一世 同化は難しい

『日本式』拔けぬと調査結論

在米一、二世は『どの程度に米人社會にとけ込み、どれほど民主々義を理解し體得しているか』という重要問題につき九名の米人科學者が心理的見地からその實態を研究していたことがこのほど判明した。

▽調査對象はシカゴ在住の日系家族三百四十二の千二百十二名。五一年二月までの四年間にわたり調査したものであるが、その結果米國の正常な社會生活になじめない『不適應性』は百人正常者の平均三二・一に對し二世は四五・七、歸米二世は五六・二、一世は六六・五パーセント。一世は日系二世の半分程度しか米人社會になじんでいない。

▽二世の場合は神經患者でも五九・四パーセントは社[illegible]一世は更に生活にとけ込んでいないという結論が出た。

▽在米日系の社會への不適應は一世の古い日本的傳統のカラから脱脚していないことも證明するものとみられるが、この傾向が果して日本民族獨自の性格なのか、または外國移住という生活環境によるものかを確認するため主任調査科學者デヴォス[illegible]研究を續けることになつている。

米爆機を佛印へ

【ワシントン發】目下佛印のエンビエンプではフランス軍と共産土民軍との間に激戰が續けられているが、米國外交筋ではこの戰況を注目、新たに爆擊機および輸送機を佛印のフランス軍に送らねばなるまいと考えている。フランス軍總司令官エリー大將は米國に對し武器援助を要求していたが、二十二日エリー大將は統合參謀議長のラッドフォード海軍大將達に大統領と面接して重ねて佛印のフランス軍援助を申出たものと見られるが、米國では二十五機を一編隊とするB-二六輕爆擊機一隊と數不明の輸送機を佛印に急派することを考慮中といわれる。共産土民軍が來月の雨期を待たず、總攻擊をジエンビエンプ要塞に向けて行つたのは來るゼネーヴ會議における佛印問題審議にあたり有利な立場に置かうとするためとみなされている。

Tad's Capture Vancouver Cage Title

VANCOUVER. — Tad's of Tad's Sporting Goods captured the Vancouver Nisei basketball crown here Mar. 18 as they defeated the Teens in a two-game total-point final series 116-111.

In the last and best of the games of a very successful season, a close nip-and-tuck struggle was enacted all the way, the match ending in a tie score 57-57. Tad's five point cushion gained in the initial contest (59-54) proved to be the vital margin for their well-earned victory.

Tad's 57; Teens 57

The Teenagers were minus the services of high-scoring Ken Yada. He had been pre-engaged to play for the Lord Byng High in the annual B.C. High School Basketball Tournament the same evening. Despite his absence, however, the ever-hustling Teenagers came up with a very creditable showing and kept the sporting goods crew hard-pressed right up to the final whistle.

The Teens jumped to a momentary 12-8 lead but faltered badly in the second quarter and fell behind 29-24 by the end of the half. In the fast and furious third quarter, however, the Teeners managed to regain the lead by one point 45-44.

In spite of their efforts, Tad's five-point cushion proved to be too much for the Teens, and in the final canto, both teams matched basket for basket to conclude the match in a 57-57 deadlock.

Shifty Roy Ikeda waited till this final game to come up with his best showing of the season as he swished in 18 points for Tad's, followed closely by aggressive Mits Tahara who added another 17. But the efforts of the pair were slightly overshadowed by lanky, hard-working John Nakata of Teens, who enjoyed a big night by potting 21 points in a losing cause. Nakata was ably assisted by teammates Mitch Tanaka with 16 points, most of which came from long shots.

The champion Tad's squad consists of sponsor Tad Kitagawa, Yosh Uno, Shig Tabata, Ron Ikeda, Sam Mukai, Bob Miyagishima, Mits Tahara and Bob Ohara.

TORONTO MAJORS:

Top Teams Make Clean Sweep

Led by K. Shimizu 811(341) and T. Sakura 808(329), and assisted by T. Tanabe 709 and T. Fujioka 709, Spadina shellacked Fox Tailors, while Ascot (A. Fujibayashi 720, M. Isoshima 715, J. Nishizaki 712) and Yamada (R. Tanaka 790, E. Nakamura 701) did likewise to Du-Rite and Hot Rods respectively.

Federal Farms (K. Kuroda 726-328, S. Sorn 707-338) took five from Takeda to retain second spot. Lewis (I. Furukawa 736) over Menzies, Uyeda (J. Hennii 754, K. Hayashi 309) over Alexander, Radio Vision (J. Ito 801-348, M. Matsuo 784) over Poaches (G. Mori 321), and Chas. Hardy over Sora also were 5-2 decisions.

With but four nights of alley activities remaining in the schedule, Spadina (133 pts.) appears to be headed for the league title with an 18-point margin over the current second-place team, Federal Farms 115 points, Ascot 113½ points, and Yamada 113 points are in a dog-fight for second-place.

Takeda has displaced Fox Tailors for fifth spot with 98 points, but the latter remains in the last playoff spot by a half-point margin over Lewis 96½-96. Then follow Menzies with 95, Hot Rods 94, Poaches 88 and Radio Vision 85.

EXHIBITION VISIT

Van. Cagers Bow to Superior Seattle Teams

VANCOUVER. — Two cage squads from Vancouver made an invasion of Seattle for exhibition matches with the Lotus Y.B.A. league teams on Sunday, Mar. 14, but in both games played, the hapless Vancouverites were made to bow to the superior might of the Seattle hoopsters.

Seattle Vikings 48; Van. Teens 36

In the initial tilt of the Vancouver-Seattle exhibition series, the much taller and more experienced Vikings employed a roving zone defence which the Vancouver Teeners found difficult to penetrate. The visitors, however, more than made up for the disadvantage by sinking the long shots quite consistently.

The Teens trailed by quarters 12-6, 25-16 and 33-27 until the final score of 48-36. In the final canto, the Vancouver Teens in a desperate attempt to overtake the leading Seattleites, played much over-aggressively at times, and fell victims to numerous fouls called against them. Taking advantage of this opportunity the Vikings made good nine out of ten free throws in the last period.

Six-foot plus centreman Tom Miyata paced the Vikings with 13 points. For the Vancouver team, hard-working Ken Yada came through with 12 points, assisted by Mitch Tanaka with 9 more.

Seattle Mercurys 40; Van. Srs. 32

Considering that it was their second time this season of playing together, and furthermore, without the services of high-scoring coach John Yamabe, the Vancouver Seniors battled surprisingly well as they had the smooth-working Mercurys hard-pressed throughout the contest.

The Vancouver cagers were actually leading 16-14 upon conclusion of the close-checking first half, but following the breather, Seattle substituted freely and simply outran the tiring visitors. The pace proved too much for the Vancouver men, and the latter period saw them outscored 26-16.

Being unaccustomed to the fanshaped backboard, the Vancouverites' shooting was very erratic, making good only six of their 17 free throw attempts.

Smooth and shifty Shoz Tokita of Seattle hit the hoop for 12 points in pacing the host team, while Bob Miyagishima likewise connected for a dozen points in leading the visiting Vancouver five.

After the games, the players and rooters from north of the border were treated to a dinner, followed by a very enjoyable social-dance featuring the "Skyliners," an all-teenage orchestra.

J. Watanabe Rolls Record 10-Pin Triple

TORONTO. — An all-time high ten-pin triple was established by Jack Watanabe at the Mar. 12 session of the Toronto Ten-Pin League as he bowled an impressive 632 three-game effort consisting of 184, 224, and 224 singles. Watanabe now leads the individual high average race with 168.

High bowlers at the league's most recent session on Mar. 19 were K. Osaka 514(199), T. Takemura 514(174), S. Kondo 512 (201), S. Kubota 511(185), M. Kawabata 510(197), G. Kubota 509(183), W. Iwamoto 504(180), T. Idenouye 503(186), and T. Iwamoto 500(182).

F. Iwasaki with 481(185) paced the ladies followed by T. Hashiguchi with 457(155).

Team results were: Tu-Jays 4, Untouchables Pointers 3, Scotties 1, Huskies 3, Flatbrokes 1, Lucky Strikes 3, Spaniels 1, Greenhorns 3, ... 1, Benders 2, Setters 2, Toggsies 2, Atoms 2, Hurricanes 2, Dachshunds 2.

Toronto Invitational Cage Tourney To Take Place April 30 - May 1

TORONTO. — The Toronto Nisei Invitational Basketball Tournament bringing teams together from both sides of the border will take place this year on Apr. 30 and May 1. Four teams have been tentatively scheduled to compete for the Yamada Challenge Trophy.

Three of the cage squads that have accepted the invitation of Toronto Nisei cage officials are American teams representing three different section of the U.S. — New York, Chicago and Philadelphia.

Representing the host city, Toronto, will be the champion Mustangs team, with an addition of two or three players from the Rebels and Whiz Kids.

Chicago will be sending its top team this year. Last year, although the local champions were sent, it was not actually the strongest representations as Chicago's top Nisei team had been engaged in semi-pro ball and and could not attend.

Disbandment of the team this year has allowed its members to represent Chicago at the coming tourney, and from reports received from down south, it appears the Mustangs who defeated the Chicago cagers for the crown last year, is going to receive keen competition in retaining the title.

The New York team will consist largely of Hawaiian Nisei students studying in New York. Philadelphia is the current holder of the Montreal cage tourney championship.

Toronto officials are optimistic nevertheless, and insist that the "Mustangs are going to win!"
